DETAILED ACTION

Election/Restrictions

Applicant's election of claim group I, claims 1-9 and 15 in the reply filed on 12-JUL-2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Claims 10-14 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected claim grouping, there being no allowable generic or linking claim. Election was made without traverse in the reply filed on 21-JUL-2004.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 10-14 to claim group II, which was non-elected without traverse. Accordingly, claims 10-14 have been cancelled.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or render obvious the claimed subject matter as a whole, comprising the claimed maximum degree of orientation of the particles in the direction of pressing/extrusion in combination with a pre-pressing step to align particulates transversely to the pressing/extrusion direction. Fiorentino describes that prior practice combines compressing a particulate material then extruding the material in one continuous process. Fiorentino is silent with respect to the degree of orientation provided by the prior practice.

Art Unit: 1732

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
